[62950 NE 18th street, Bend, Oregon](#)

Regular (April 16 – May 14)

\$30 Members/Students; \$35 Non-Members

Oregon Bio is proud to announce our 8th annual Bio in the High Desert networking event in the Central Oregon. This event focuses on identifying and developing the local talent pool. Speakers representing entry-level, apprenticeship, and experienced workers and incumbent workforce retention will present industry engagement opportunities. Take it to the next level with your peers and the partnership representatives during the networking that follows the programming.

Derek Koops

Sr. Director, Product Development, Thermo Fisher Scientific

Katie Condit
